PATIENT CONSENT FOR USE AND DISCLOSURE OF PROTECTED HEALTH INFORMATION

With my consent, Pediatric Associates of LaGrange, P.C. may use and disclose protected health information (PHI) about me to carry out treatment, payment and healthcare operations (TPO). Please refer to Pediatric Associates of LaGrange's Notice of Privacy Practices for a more complete description of such uses and disclosures.

I have the right to review the Notice of Privacy Practices prior to signing this consent. Pediatric Associates of LaGrange reserves the right to revise its Notice of Privacy Practices at anytime. A revised Notice of Privacy Practices may be obtained by forwarding a written request to Pediatric Associates of LaGrange's Privacy Officer at 205 Calumet Center Road, LaGrange, GA, 30241.

With my consent, Pediatric Associates of LaGrange may call my home or other designated location and leave a message on voice mail or in person in reference to any items that assist the practice in carrying out TPO, such as appointment reminders, insurance items and any call pertaining to my clinical care, including laboratory results among others.

With my consent, Pediatric Associates of LaGrange may mail to my home or other designated location any items that assist the practice in carrying out TPO, such as appointment reminder cards and patient statements.

With my consent, Pediatric Associates of LaGrange may e-mail and/or text to me appointment reminders and patient statements. I have the right to request that Pediatric Associates of LaGrange restrict how it uses or discloses my PHI to carry out TPO. However, the practice is not required to agree to my requested restrictions, but if it does, it is bound by this agreement.

By signing this form, I am consenting Pediatric Associates of LaGrange's use and disclosure of my PHI to carry out TPO.

I may revoke my consent in writing except to the extent that the practice has already made disclosures in reliance upon my prior consent. If I do not sign this consent, Pediatric Associates of LaGrange may decline to provide treatment to me.

I authorize the release of medical information necessary for the completion of insurance forms. I authorize payment directly to Pediatric Associates of LaGrange, P.C., for all medical or surgical benefits otherwise payable to me under the terms of my insurance. I understand that I am financially responsible for all co-payments and any charges not paid by my insurance. A photocopy of this authorization shall be considered as effective and valid as the original.

Developmental Drawing Sheet

Please use this sheet to allow your child to show us their creativity. This is not only fun for your child, but also allows us to observe fine motor and cognitive skills. Several age groups are listed. Find your child's age and ask them to complete the activities for that age. Remember to allow your child to practice these skills with you at home. Coloring is fun and great for your child's brain development. When you are done, draw a picture on the back of the page.

15 Months- 30 Months Old: Let your child use your pen and clipboard to have fun and scribble in the space below.

3 & 4 Years Old: Ask your child to copy the circle and cross pictured below & draw a person.

5 Years Old: Ask your child to draw a circle and cross, copy the square and triangle pictured below, print some letters and numbers, & draw a person.
